SHERUBTSE'S SHARED SHELF

Mr. Chogyal Dorji, a third year student from B.A. in History, initiated Sherubtse's Shared Shelf in collaboration with Happiness and Wellbeing Centre. The activity intends to inculcate reading habit and establish a community among readers at Sherubtse College. Furthermore, the activity will also facilitate shared learning and hold book sessions. In addition, as the activity extends, the Centre wishes to endeavor to conduct book festivals and advocacy programs on the importance of reading in nearby schools and institutions.

The activity is organized on weekends every week.

MONSOON FOOTBALL TOURNAMENT

The most awaited monsoon football tournament will begin from September 6, 2021. It is one of the most popular domestic tournament played among the residence halls at Sherubtse College every year during the autumn semester. Due to the pandemic, the tournament could not be held in 2020. With relaxations made on the COVID-19 protocol, the tournament will be played behind closed doors this year. There are 22 teams participating for the tournament including a team comprising of college staff members.

The first match will be played between Gyalrab (DH-I) Vs Trowa (DH-II) and the final match of the tournament is scheduled for September 23, 2021.

KIDDIE DANCE CLASS

A Kiddie Dance class will be initiated by Happiness and Well-being Centre (HWC) in collaboration with Culture club in the college. The main intention of organizing this activity is to reduce screen time among children aged six to fifteen and provide a platform for children to get together through music and dance. The activity will also help children in developing team building skills and self-confidence.

BASIC COUNSELLING SKILLS' COURSE

The Happiness and Well-being Centre (HWC) will be conducting a workshop on 'Basic Counselling Skills' to interested students from September 13 to October 18, 2021. The workshop will be conducted for two hours every week and will not hamper the class timing.

The workshop will focus on discovering self and growth. The workshop also intends to provide basic counselling skills, communication and questioning skills and mindfulness practice.

Registration is open from September 1 till September 8 2021.

For registration and further information, please contact;

1. Mr. Sonam Tenzin, Student Service Officer/Counselor at 17685103

2. Ms. Tashi Yangzom, Student Service Officer/Counselor at 17656244

DIGITAL PLATFORM

The centre has a digital platform which provides a variety of information and online support. It also serves as a communication tool, resource bank and information booth to the students and staff of the college.
